Product Description

Administrative History of india since Independence is a complex and multifaceted narrative that encompasses the evolution of the country's governance structures, policies, and institutions since gaining independence in 1947. It focuses on the development and evolution of administrative systems, structures, and processes with in organizations, institutions, and governments. The authors have skillfully analysed different facets of Indian administrative history from how the country adopted a democratic and federal structure with a parliamentary system of government. The administrative history of independent India is dynamic, reflecting the country's journey through diverse political, economic, and social changes. It has seen a mix of continuity and transformation, with ongoing efforts to address emerging challenges and strengthen democratic governance. This Book is valuable for policy and decision-makers, academicians, researchers and those interested in understanding the dynamics of administrative decision making in the independent India.
