About the Author

Lewis Carroll

Lewis Carroll is the pseudonym of Charles Lutwidge Dodgson, an English writer, mathematician, and logician. He is best known for his works of children's literature, particularly "Alice's Adventures in Wonderland" and its sequel "Through the Looking-Glass, and What Alice Found There". Carroll's writing is characterized by its whimsical and fantastical elements, its use of logic and wordplay, and its exploration of absurd situations. His stories have captivated readers of all ages and have been adapted into numerous films, plays, and other forms of

media. Apart from his literary work, Carroll was also a talented photographer, mathematician, and inventor. His legacy continues to be celebrated for his contributions to literature and his ability to create imaginative worlds that transcend time and place.

Product Description

Alice in Wonderland by Lewis Carroll’s, story centres on Alice, a young girl who falls asleep in a meadow and dreams that she follows the white rabbit down a rabbit hole, to find herself in a dreamlike fantasy world. Immerse yourself in the enchantment and imagination of Wonderland in this timeless classic. Explores themes of curiosity, imagination, and the quest for self-discovery. How will Alice ever find her way home in this enchanted realm? Carroll has depicted a unique world that hadn't been seen before.
