About the Author

Hermann Hesse

Hermann Hesse was a German-Swiss poet, novelist, and painter. Born in Germany with Baltic German and French-Swiss heritage, he had a passion for poetry and music. After a difficult youth and brief seminary study, he pursued self-education. His first novel, "Peter Camenzind," was published in 1904. Influenced by a 1911 trip to India and Jungian analysis, his works like "Demian," "Steppenwolf," "Siddhartha," and "The Glass Bead Game" explore spirituality and self-discovery. He won the Nobel Prize in Literature in 1946.

Product Description

"Siddhartha" by Hermann Hesse follows the spiritual journey of Siddhartha, exploring themes of self-discovery and enlightenment amidst the backdrop of ancient India and Nepal. Siddhartha leaves his privileged life, pursues asceticism, encounters the Buddha, explores worldly pleasures, and eventually finds peace by a river with the ferryman Vasudeva. Through introspection and encounters with others like Kamala and Govinda, Siddhartha learns profound truths about existence, timelessness, and the interconnectedness of all life.
