About the Author

Jane Austen

Jane Austen was born on December 16, 1775 at Steventon near Basingstoke, the seventh child of the rector of the parish. She lived with her family at Steventon until they moved to Bath when her father retired in 1801. After his death in 1805, she moved around with her mother; in 1809, they settled in Chawton, near Alton, Hampshire. Here she remained, except for a few visits to London, until in May 1817 she moved to Winchester to be near her doctor. There she died on July 18, 1817. As a girl Jane Austen wrote stories, including burlesques of popular romances. Her works were only published after much revision, four novels being published in her lifetime. These are Sense and Sensibility (1811), Pride and Prejudice (1813), Mansfield Park (1814) and Emma(1816). Two other novels, Northanger Abbey and

Persuasion, were published posthumously in 1818 with a biographical notice by her brother, Henry Austen, the first formal announcement of her authorship. Persuasion was written in a race against failing health in 1815-16. She also left two earlier compositions, a short epistolary novel, Lady Susan, and an unfinished novel, The Watsons. At the time of her death, she was working on a new novel, Sanditon, a fragmentary draft of which survives.

Product Description

Sense and Sensibility is a classic novel by Jane Austen; the story follows the Dashwood sisters, Elinor and Marianne, as they navigate love, heartbreak, and societal expectations in Regency-era England. Elinor, embodying "sense," is practical and reserved, while Marianne, full of "sensibility," is passionate and impulsive. Through their contrasting personalities and romantic entanglements, Austen explores themes of love, family loyalty, and the balance between reason and emotion, offering a keen critique of social norms.
