About the Author

Joseph Murphy

Dr Joseph Murphy earned his PhD in Psychology from the University of Southern California and started writing soon after that. He has authored over 30 books. His book, The Power of Subconscious Mind was an immediate best seller and still known to be one of the best self help guides of all times.

Product Description

Believe in Yourself, Joseph Murphy emphasises the importance of having faith in one's abilities, trusting the inner self, and having the courage to pursue your dreams no matter the challenges. Through compelling stories from the lives of artists, writers, entrepreneurs, and everyday people who achieved success and recognition, Dr. Murphy illustrates the powerful force of self-belief. He highlights that a common thread among all these individuals was their unwavering confidence in themselves. The book serves as a powerful motivator, helping readers overcome low self-esteem and accomplish their goals. Dr. Murphy also offers strategies for overcoming setbacks and staying on the path to success through integrity and perseverance. For those struggling with low confidence, the author stresses the importance of finding direction and motivation, making self-belief the key to achieving personal success.
