### About the Author

**Arthur Conan Doyle**

Sir Arthur Conan Doyle was a British author and physician best known for creating the iconic detective Sherlock Holmes. Born in Edinburgh, Scotland, he studied medicine and practiced as a doctor while writing fiction. His first Holmes story, A Study in Scarlet, was published in 1887. Over his career, Conan Doyle wrote numerous novels, short stories, and plays, blending genres like mystery, science fiction, and historical fiction. His Last Bow is one of his notable collections featuring Sherlock Holmes.

## Product Description

The Poison Belt by Arthur Conan Doyle follows Professor Challenger and his friends as they confront a catastrophic cosmic event. Earth passes through a "poison belt" of ether, which contaminates the atmosphere, seemingly dooming all life. The group seals themselves in a room with an oxygen supply, awaiting humanity’s end. This speculative sci-fi novella explores themes of human frailty, survival, and the value of life in the face of universal forces, showcasing Doyle's early 20th-century imagination.
