Product Description

Madame Bovary is a seminal novel by Gustave Flaubert, first published in 1857. It tells the story of Emma Bovary, a young woman from a humble background who marries Charles Bovary, a well-meaning but dull country doctor. Emma's dissatisfaction with her provincial life, her romantic idealism, and her longing for luxury and excitement drive the plot. Flaubert’s exploration of the limits of romanticism, the role of women in society, and the consequences of living beyond one's means make Madame Bovary a deeply insightful and timeless work.
