Product Description

This book brings together a diverse collection of analyses on civil service training, governance reforms, and administrative changes across various countries. From India's Mission Karmayogi to Mongolia’s century-old civil service training institution, the book explores the evolution of public administration through different governance frameworks. It highlights the role of local self-government in sustainable development, the challenges of online education in Bangladesh, and the impact of technology-driven government services in China. With insights from Korea, Kyrgyzstan, and beyond, this book serves as a comprehensive guide to understanding the ever-evolving landscape of governance reforms worldwide
