About the Author

Ayn Rand

Alice O'Connor was a Russian-born American writer and philosopher., better known by her pen name Ayn Rand. She is known for her fiction and for developing a philosophical system which she named Objectivism. After two early novels that were initially unsuccessful and two Broadway plays, Rand achieved fame with her 1943 novel The Fountainhead. In 1957, she published her best-selling work, the novel Atlas Shrugged. Afterward, until her death in 1982, she turned to non-fiction to promote her philosophy, publishing her own periodicals and releasing several collections of essays.

Product Description

Anthem is a dystopian fiction novella by Russian–American writer Ayn Rand. The story takes place at an unspecified future date when mankind has entered another Dark Age. Technological advancement is now carefully planned and the concept of individuality has been eliminated. A young man known as Equality 7-2521 rebels by doing secret scientific research. When his activity is discovered, he flees into the wilderness and is followed by Liberty 5-3000, a woman he loves. Together they plan to establish a new society based on rediscovered individualism.
