Product Description

Viksit Bharat @2047: Welfare to Entrepreneurial State is a collection of research papers exploring India’s journey toward becoming a developed nation by 2047. The book highlights the shift from a welfare-oriented government to an entrepreneurial state that actively drives innovation, supports businesses, and ensures inclusive growth. Covering topics such as digital entrepreneurship, women’s roles, skill development, and policy impacts on marginalized groups, it offers valuable insights for policymakers, scholars, and entrepreneurs. The book aims to guide collective efforts toward building a fair, innovative, and self-reliant Viksit Bharat.
