Manan Dwivedi

Dr. Manan Dwivedi, Assistant Professor, International Relations and International Organizations

Product Description

This book examines the evolution of Public Administration and Public Policy in India in the context of a rapidly changing world. It discusses new trends such as digitalisation, cyber governance, New Public Management, and the Orange Economy, while addressing ongoing challenges like poverty and population growth. The monograph highlights how governance and policy reforms are reshaping India’s development path, making it a useful read for students, scholars, and policymakers interested in effective and responsive administration.
