About the Journal

Journal of Psychosocial Research (JPR) is a broad-based multidisciplinary scientific peer-reviewed journal. It encompasses various fields of Humanities and Social Sciences such as health, education, technology, philosophy, management, industry, and economics that have psychological implications for social policy and planning. JPR is a peer-reviewed publication, which welcomes empirical and theoretical papers created by researchers and scholars in the field with international quality and standards. It also includes research summaries and book reviews on the relevant subjects.
